

Dave Keller

Dave Keller is a singer/guitarist who has forged a style uniquely his own -- intense and soulful, gritty and sweet. Like the best blues and soul men before him, Keller learned his art firsthand from the masters: Mighty Sam McClain, Paul Rishell, Fontella Bass, and the late great Robert Ward. Based in Montpelier, Vermont, Keller's reputation for dynamic, soul-stirring performances extends throughout New England. His three all-original CDs have earned critical acclaim, and most recently, Keller was featured as a singer and co-writer on *Living in the Light*, the newest CD by legendary guitarist Ronnie Earl.
